Document reference SHS-PW-2026-03. Effective 1 March 2026. This document sets out the terms of cover and takes precedence over any summary, brochure or advertisement.

1. Definitions

1.1 Pre-existing condition means any injury, illness, condition or symptom for which the Member received treatment, took medication, sought advice, or of which the Member was reasonably aware, before the Commencement Date.

1.2 Waiting Period means a continuous period of membership that must elapse before a benefit becomes payable.

1.3 Accredited Hospital means a hospital listed in the Solara accredited network as amended from time to time.

1.4 Commencement Date means the first day of the month following approval of the application and receipt of the first premium.

2. Waiting periods

2.1 No Waiting Period applies to treatment required as a direct result of an Accident occurring on or after the Commencement Date.

2.2 A Waiting Period of thirty (30) days applies to all illness claims.

2.3 A Waiting Period of twenty-four (24) months applies to any Pre-existing Condition declared at application. A Pre-existing Condition which was not declared is excluded for the lifetime of the policy.

2.4 A Waiting Period of twelve (12) months applies to cataract surgery, hernia repair, removal of tonsils or adenoids, and treatment of haemorrhoids.

2.5 A Waiting Period of ten (10) months applies to maternity benefits where the Maternity Rider is attached.

2.6 Waiting Periods run from the Commencement Date and are not restarted on renewal, provided cover has been continuous. A lapse of more than thirty (30) days restarts all Waiting Periods.

3. General exclusions

3.1 No benefit is payable for cosmetic or aesthetic procedures, other than reconstructive surgery required following an Accident covered under this policy.

3.2 Dental treatment is excluded on all plan levels, other than reconstructive dental work required following a covered Accident.

3.3 Pregnancy, childbirth and fertility treatment are excluded unless the Maternity Rider is attached and its Waiting Period has elapsed.

3.4 Self-inflicted injury, and injury sustained while committing or attempting to commit an offence, are excluded.

3.5 Treatment received outside the Republic of the Philippines is excluded unless the International Treatment Rider is attached.

4. Premiums and grace period

4.1 Premiums are payable in advance on the due date stated in the Schedule.

4.2 A grace period of thirty-one (31) days is allowed from each due date. Cover continues during the grace period.

4.3 If premium remains unpaid at the end of the grace period the policy lapses with effect from the original due date, and no benefit is payable in respect of any event occurring after that date.

4.4 A lapsed policy may be reinstated within six (6) months of the lapse date on payment of all arrears and submission of a fresh declaration of health. Reinstatement is at the sole discretion of Solara.

5. Eligibility

5.1 Entry age is eighteen (18) to sixty (60) years at the Commencement Date.

5.2 Cover is renewable annually to age seventy (70).

5.3 Dependants may be added from age six (6) months to twenty-one (21) years. A dependant reaching twenty-two (22) must take out a separate policy.

5.4 The Member must be a resident of the Republic of the Philippines.

6. Claims

6.1 For a planned admission, Solara must be notified at least three (3) working days in advance so that a Letter of Guarantee may be issued.

6.2 For an emergency admission, Solara must be notified within twenty-four (24) hours.

6.3 A reimbursement claim must be submitted within ninety (90) days of discharge, with original official receipts and the discharge summary.

6.4 Where treatment is received at a hospital outside the accredited network, reimbursement is limited to the amount that would have been payable at an Accredited Hospital for the same treatment.

7. Cancellation

7.1 The Member may cancel within fifteen (15) days of receipt of the policy documents and receive a full refund, provided no claim has been made.

7.2 After that period, cancellation takes effect at the next renewal date. Premiums already paid are not refundable.
